# ABOUT RUSMAR PACKAGING

Rusmar Packaging, established in 1991, creates corrugated paper products for a diverse range of industries. Our excellent track record of efficient and reliable service coupled with the finest materials and highest manufacturing standards, leaves us as first choice for packaging solutions by a range of industry leaders.

We specialise in developing consistent and cost effective holistic solutions for customers both locally and beyond South Africa's borders, utilising our extensive industry knowledge and distribution network. Our services stretch beyond corrugated paper packaging to encompass a full menu of cleaning and safety solutions.
